

SMHPC Peer Support Committee Meeting

August 5, 2025

5 attendees

Members slightly deviated from the initial proposed agenda items.

Members reached consensus to discuss the Transcom workforce document for next month's meeting.

Members discussed a variety of topics during the timeblock.

- Nurturing connections and insight beyond the meeting time to build momentum (e.g. Teams channel)
- Creating a survey monkey to identify priority areas
- Expanding from DMH programs to bolster interest to lean towards DMH services

Members proposed creating a listening session on the current landscape on the peer support workforce.

This event will capture interest in folks who are interested in joining.

Action Item: Amie will pitch this idea to Adam and will forward any updates to the group next month.

The meeting was adjourned.
