

SMHPC Peer Support Committee Meeting

September 2, 2025

6 attendees

Members discussed pitch and content for Listening session type of event.

- The listening session will focus on the peer workforce development. It should have a clear purpose to reduce potential segways.
- The session will revolve around the Transcom Workforce Development document (document that was cultivated by the former Transcom subcommittee) with the goal of providing recommendations in the document.
- There were additional focus on CPS Code of Ethics, but there is a separate process to make such updates.
- Next month's meeting will occur on a different with a two-hour timeslot. It was decided Wednesday October 15 @ 2pm will work best for those on the call.

Next Steps:

- Next Month's meeting will focus on reviewing the Transcom Workforce Development document
- The hope is to read the document in and come in next month with thoughts and feedback to discuss.
- Binah will email folks and cancel the October's invite and create a new invite for the October 15th meeting @ 2pm.

Members discussed other items and had an open call for agenda items. The following points were highlighted:

- Potential limitations of CPS trainings in how peers' ability to apply their expertise into their own specialties
- The importance of role definition and clarity. (Please see literature from Ryan that discusses this further)
- The differences between agencies/providers at large and peers' ability use and apply CPS principles.
-

The meeting was adjourned.
